PEST CONTROL SERIES

PEST CONTROL CATALOG

# PRECISION AND RELIABILITY.

PEST CONTROL SERIES

BUILT FOR THE TRADE

Innovative products designed to spray into the tightest cracks and crevices. Various nozzle solutions for unique indoor and outdoor application areas.

---

VERSATILE ACROSS MANY JOBS

---

*4-Way Multi-Jet Nozzle provides critical spraying patterns to tackle the toughest jobs.*

*This brass nozzle has fine fan, coarse fan, pin, plus crack and crevice options.*

*Pros depend on the right nozzle to get the job done.*

*Smith Performance Sprayers™ and Foggers offer optimum performance and variety.*

Smith Performance Sprayers™ are durable professional products with an emphasis on chemical resistance. Components stand up to the harshest chemicals by using specialized, highly resistant seals with fittings made from brass, stainless steel, Viton®, and heavy-duty polymers where chemically appropriate.

Smith Performance Sprayers™ are built to work as hard as you do.

## Stainless Steel Compression Sprayer

- 1 Gallon capacity stainless steel tank with wide mouth opening.
- Integrated storage for stainless steel shut-off and wand.
- Viton® seals throughout the pump and shut-off.
- Pressure relief valve for ultimate safety.
- 50" Chemically resistant hose for ultimate durability.
- 5 PSI No-drip check valve with integrated filter. Keeps product from dripping from wand when idle.
- Stainless steel pump barrel and dip tube to insure harsh chemical resistance.
- 4-Way Multi-Jet nozzle for ultimate versatility: Settings include Fine Fan, Coarse Fan, Pin, and Crack & Crevice.

<b>MODEL #</b>	S100
<b>PRODUCT #</b>	190441
<b>TANK CAPACITY</b>	1 GALLON
<b>EXTENSION</b>	12" STAINLESS STEEL
<b>HOSE LENGTH</b>	50" NYLON-REINF. RUBBER
<b>ACCESSORIES</b>	SEE BACK OF BOOK

*Pressure relief valve releases at 95 psi.*

*Gauge monitors pressure where PSI is critical for consistent and even application of chemicals.*

*Viton® seals, gaskets and check-valves through the pump and shut-off.*

PEST CONTROL SERIES

**NO-LEAK PUMP**

*Internal pump will not leak chemicals onto user's back.*

*Cushion back and adjustable lumbar support.*

**No-Leak Backpack Sprayer**

- 4 Gallon capacity tank with oversized cap for easy filling.
- Internal piston pump design.
- Deluxe shoulder harness with storage area for nozzles and back support cushion.
- 50" Chemically resistant hose for ultimate durability.
- 21" Stainless steel wand and tank frame.
- Viton® seals throughout the pump and shut-off.
- 5 PSI No-drip check valve with integrated filter. Keeps product from dripping from wand when idle.
- 4-Way Multi-Jet nozzle for ultimate versatility: Settings include Fine Fan, Coarse Fan, Pin, and Crack & Crevice.

<b>MODEL #</b>	NL403
<b>PRODUCT #</b>	190442
<b>TANK CAPACITY</b>	4 GALLON
<b>EXTENSION</b>	21" STAINLESS STEEL
<b>HOSE LENGTH</b>	50" NYLON-REINF. RUBBER
<b>ACCESSORIES</b>	SEE BACK OF BOOK

**BIG PEST JOBS**

*Sprays larger areas with a single tank to finish jobs faster.*

**BACKPACK SPRAYER**

## Electric Thermal Fogger

- Utilizes a 110V power supply.
- Heats in minutes for hours of use.
- Eliminates pests for up to 6 hours.
- Durable aluminum solution tank.
- Removable heating element for electric spraying capabilities.
- Temperature controlled fog capability.

<b>MODEL #</b>	FT982
<b>PRODUCT #</b>	190443
<b>POWER</b>	110V
<b>TANK</b>	ALUMINUM
<b>TANK CAPACITY</b>	1 GALLON
<b>ACCESSORIES</b>	SEE BACK OF BOOK

### HEATING ELEMENT

*Specially designed heating element to propel fog instantly when reaching adjusted temperature.*

### FINE MIST FOR COMPLETE COVERAGE

*Heating element atomizes chemical into fine particles that float under surfaces and into nooks and crannies.*
